

*HappyFaces*, as the name suggests, is all about putting smile on the face of lives we touch through our work.

*HappyFaces* is a boutique advisory and consulting firm whose philosophy goes beyond delivering a promise of enabling business growth.

We believe in investing into fruitful relationships that recognizes talent and passion in order to create superior value for the stakeholders.

*HappyFaces* is the brainchild of *Ms. Vidya Rao*, a banker with over twenty five years of experience in key account management, investment banking and events.
